• Today’s webinar will be recorded. A link to the webinar will be available within the next 24 hours on Augusoft’s website.
• Please do not place the conference call on hold.
  • If you need to take another call, please leave the conference call and rejoin later
• Please use the Questions function in your GTW menu to ask any questions
Augusoft provides a cloud-based SAAS enrollment management solution for continuing education and corporate education in North America.

WorldEducation.net has built a solid reputation for providing innovative solutions for accredited colleges and universities seeking to broaden their online course offerings.
Why a Partnership?

Polling Question #3
World Education’s mission is to provide the highest quality education and training to help students achieve career success and professional enrichment.

We believe in creating a positive learning journey for students by providing superior service, comprehensive content, and expert coaching in a format that is available and affordable to all students.

Ultimately we accomplish our purpose when our students complete their program ready to meet the expectations and challenges of their industry and are equipped to find employment.
Company History

• Founded by Stephen Gatlin, a pioneer in the industry since 1993.

• He created World Education.net with his altruistic vision as well as the people-centric values that include teamwork, fun and empowerment.

• World Education is a trusted leader in online learning, offering innovative learning solutions to accredited colleges and universities.

• Serves thousands of students and partners worldwide, with offices in the U.K. and U.S.

Courses

This message can be edited by you. Please look through these categories to find the topics that interest you. Clicking on a topic will link you to a list of course titles in that subject area. From there you can go to individual course descriptions and classes. You may also search for a course by its title, number, or instructor.

Art & Design

- Garden

Profit

- Entrepreneur

Public Safety

- Personal Enrichment

Technology

- MS Office

Transportation

- Motorcycle Training

- PMP Prep

This message can be edited by you. The programs chosen to be included in ABC's Adult Education program are selected because of unique interest to the community, and offer an enticing perspective on an interesting subject. All of our instructors are interviewed and selected for their confidence in their subject and their willingness to share their expertise.

We welcome input from the community of students. If you are interested in teaching a course, please email us.
