This year's user summit will provide you with numerous in-depth Lumens learning sessions, diving into key Lumens features, industry best practices, user's choice of round table discussions, collaborative sessions and the awards presentation. Beyond the learning sessions, there are several networking opportunities to connect with your peers.

Each day includes continental breakfast and lunch with the opportunity to join your fellow colleagues on the first day in an off-site dining experience and on the second day with our signature Chocolate Break.
